Much like Blanche DuBois, our library relies on
the kindness of strangers or hopefully our
friends. We are looking for:

- More used book donations, they keep us working!
- Also up-to-date travel books which we can barcode and share with others.
- Volunteers to help with hospitality for our events and to help with our outdoor Story Time.
- Teen volunteers to help out in the library.

Thank you

Our Collection is Growing!

Every month we add new books and materials to our collection for your reading pleasure. To see a list of what we have added [click here](#).

What's Next....

We're very often asked what upcoming Trips and programs The Friends will be sponsoring....

....we promise to reveal what we have been planning for the fall very soon.

Thank you all for telling us how much you enjoy the convenience of traveling to new places and opportunities offered by our bus trips- and what fun you had when attending Friends events, like the Coronation Viewing Party - and how much you learned from the recent Learn about

Fly Fishing Program .

The Friends want you to know how greatly we appreciate all past participants (and hopefully, soon to be new participants) for your support of our fundraising efforts .

You are great Friends !

Smile (no longer)

Amazon has terminated their smile.amazon program. If you subscribed and made the Friends the recipient, this 10 years old program sent us 0.5% of your Amazon purchases. It really did add up to a great big thank you!

If you would like to continue to donate to the Friends (painlessly), Consider becoming a sustaining Cornerstone Contributor for as little as 5.00 a month. It's easy, go to our website and click on Cornerstone.

Books We Love

**Pete's Pick
June, 2023**

**Spare
by Prince Harry
Random House, January 10, 2023**

This is Prince Harry's own account of his life from birth through his marriage to Meghan Markle, Duchess of Sussex.

The story is really quite an open look at Prince Harry's life and he seems willing to share some of the most intimate details in an effort to have readers understand how difficult it was and is to grow up in that world and continue to try to live in it.

A copy is available in the Library .

Share your Favorite Summer Read

If your reading a book YOU love consider sharing that experience by contributing your review to “Books We Love” .

Just write what you wish about the book, include the title and author, and email it to us! We will post it in the library newsletter and on the Friends website.
